Sir,

Sub: Eley.- Intra State Open Access Approval in line with TNERC's "Grid Connectivity and Intra-State Open Access Regulations, 2014"- submission of applications - instructions- Reg.

Ref: Lr.No. SLDC/SE/OA&CO/EE/ABT/F General/D 1898/16 dt 16.03.2016

The Open Access regulation 2014 stipulates the time frame for submission of applications for STOA as follows.

chapter 4 Clause 15.2 (a), IV - STOA under Advance category

"..An application for grant of open access commencing in any month may be submitted in a cover marked **-Application for Short-Term Open Access - in advance** up to 15th day of the preceding month. For example, application for grant of open access commencing in the month of July shall be received up to 15th day of June"

chapter 4 Clause 15.2 (b), I - STOA under Day-ahead category

"An application for grant of day ahead open access may be received by Nodal Agency within three days prior to date of scheduling but not later than 13:00 Hrs of the day immediately preceding the day of scheduling for day-ahead transaction. For example, application for day-ahead transaction on 25th day of July shall be received on 22nd day or 23rd day or upto 13:00 Hrs on 24th day of that month"

In line with the above provisions of regulations, as already intimated vide this office letter under ref. cited, all the OA customers are hereby requested to submit the applications for STOA under advance category before 15th day of preceding month of transaction and for STOA under day ahead category within three days prior but not later than 13:00Hrs of the immediately preceding the day of scheduling.

The above provisions will be strictly implemented from Jan-19 ie for STOA application for the month of Feb-19, as full-fledged software for Open Access is under implementation in SLDC. The OA customers are also requested to submit the applications in complete shape with all enclosures and application fee paid details etc.
